When I paid for and installed 21,000.00 of solar energy panels it was with the intention of saving monies from conglomerates intent on wasting my money any further. i.e. failed and fraudulent nuclear plant. It is not fair for them to continue dipping into my hard earned monies any longer.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

unable due to current pandemic restrictions
